Prior to applying for Trager® certification program, applicants need to have taken an Introductory Trager Workshop or a Mentastics class. In the section below, fill in the name of your Trager Instructor, the title of the class and the date it was taken. If you took a class from an instructor other than Joseph Rodin, please provide a copy of the certificate, if you still have it.

If you have previously experienced professional Trager session(s) or a Mentastics class(es) from a Certified Trager Practitioner, or practice sessions with a Trager program student, please provide details of how many, approximately when (date range is fine) and who they were from. This is not a requirement to enter the program, it merely provides the teacher with an understanding of the level of prior involvement in Trager the next enrolling class has.
